

Newsletter 3 Term 2 – Friday 09 June 2023

Kia Ora Koutou

Firstly I would like to thank all of you who supported our annual King of the Coast Fishing Competition. It was a real success and a big thank you to Cian and her team that worked tirelessly to make it happen.

Next Friday we are hosting the Interschool Cross Country for the local schools, You would of recieved a pink notice asking for help with baking and help at the event. As there will be approximately 200 visitors we really need everybody to send in some yummy home baking. The save a day is the following Thursday for this event. I am on weather watch once again and will let you know on the Thursday whether it is happening or not.

In a couple of weeks we will have Constable Rob in the school to deliver the Keeping Ourselves Safe Programme which is part of the Health Curriculum.

Reports will be sent out on the last Thursday of the term and we will have the 3 Way Conferences in Week 2 of next term. I will have the booking form activated on Skool Loop the first day back of Term 3.
